Чтобы не запутаться в деталях, рекомендую с обратной стороны наклеить кусочек малярной ленты. На нем подписать номер детали и / или установить знак лево или право. Я отметил левую сторону.

In order not to get confused in the details, I recommend sticking a piece of masking tape on the back side. On it, sign the part number and / or install a left or right sign. I marked the left side.

У бровей утончить край кожи.

Thin the edge of the leather at the eyebrows

ВАЖНО!

Весь шлем собирается в два слоя кожи!!!

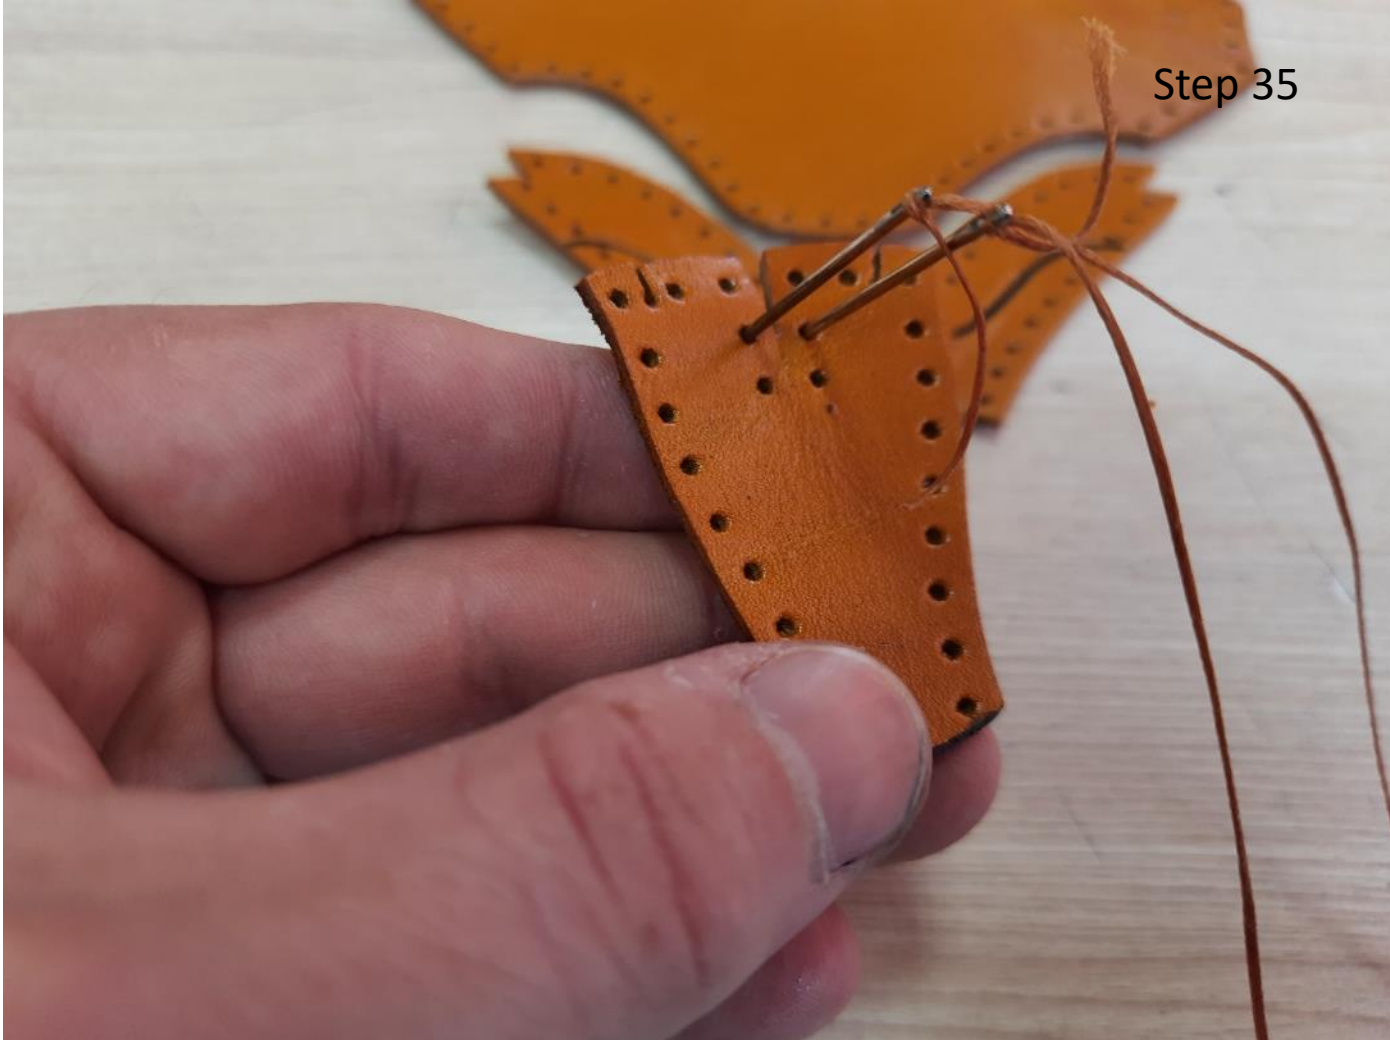

Единственное место, где сборка происходит в 3 слоя кожи – это сборка глаз (брови).

IMPORTANT! The whole helmet is assembled into two layers of leather !!! The only place where the assembly takes place in the 3 layers of skin is the assembly of the eyes (eyebrows).
