I make this end next, fit it into the buckle using the 3rd or 4th hole, then measure it to where the strap ends at the D ring at the bottom middle of the Duffle. That should give you the length and cut accordingly. MY vlength in the video was 27 inches.

5b

Make this end first,
then measure from where
the buckle lands on your
shoulder to the D ring at
the top of the Duffle. That
should give you the length
and cut accordingly. MY
length in the video was
20 inches.
