

252 x 14 mm

I punched these holes using an 8 mm punch but you may use any other radius

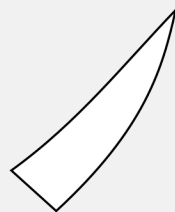

Rivet hole for the strap

1a

Crop and use as a stencil to paint the area in red

Part 2 joins here

This is the final product

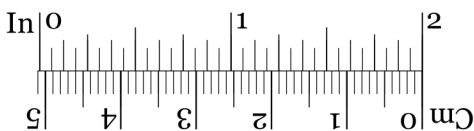

Use cross stitching all throughout
the pattern

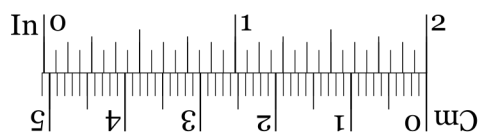

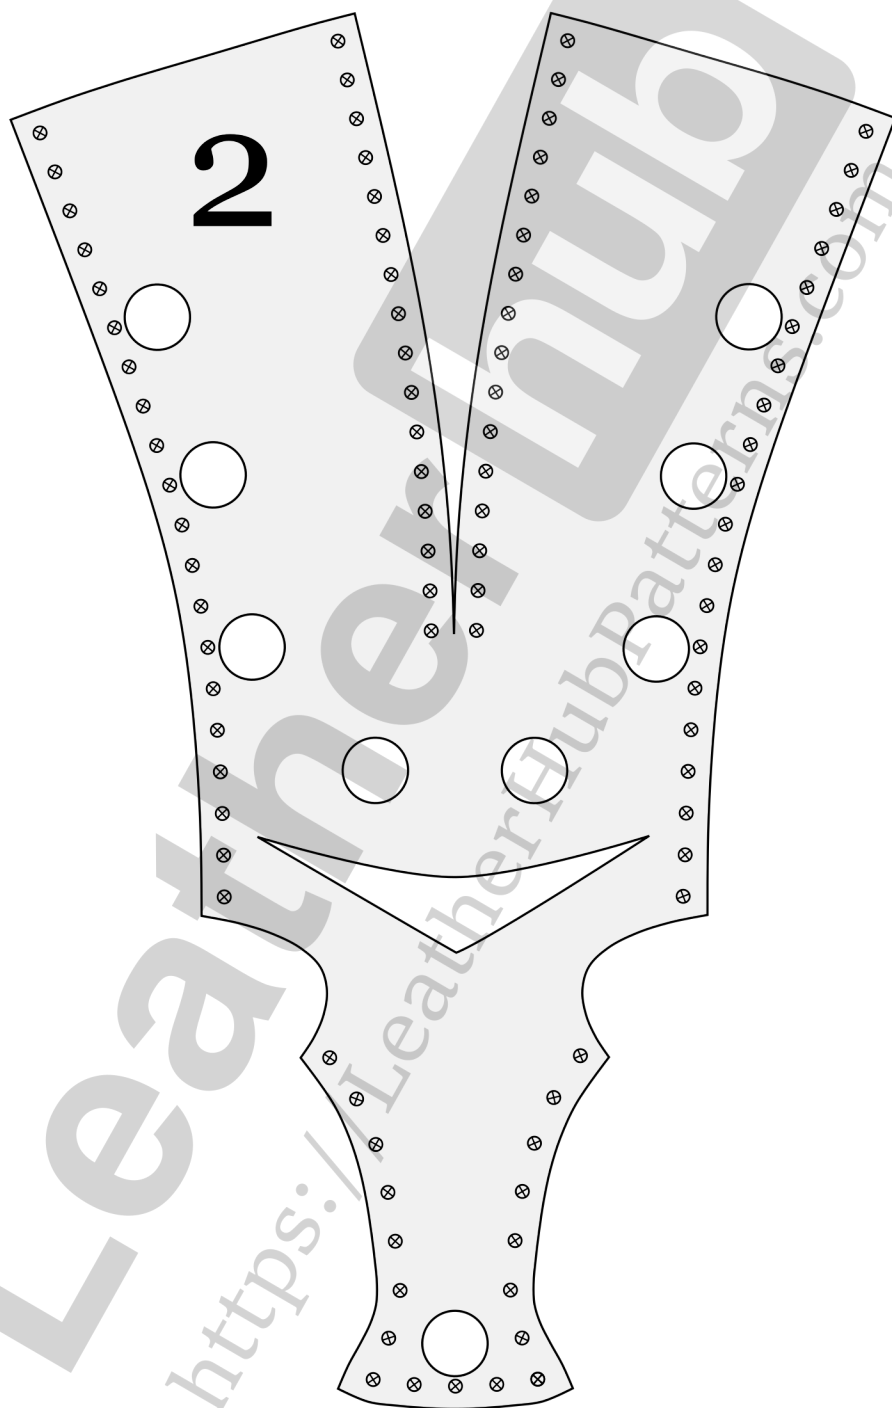

1b

The buckle comes here. If you don't have 14 mm buckles
you may use whatever width you can and use the holes
marked on the strap

○ 225 X 14 mm

Use rivets to fasten the buckle

S - head size ~550 mm
