***Use rivets to set these two ends
after enclosing them
around 20 mm or larger carabiners***

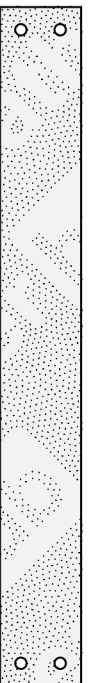

**Stitch the loop (9) to part 8
before locking it around the buckle**

9

**Pass the strap (7)
through
the pads (11 and 12)
before stitching
them together with their
flesh sides facing each
other**

12

10
Loose loop

Part 8 should be ~ 3 times shorter than part 7

8

Adjust part 7's length to your needs
