Система подвеса была позаимствована с этого видео на Ютуб.

The suspension system was borrowed from this YouTube video.

Также покажу как делал это я.

I will also show you how I did it.

К шлему разработана маска. Сборку маски смотреть в другой инструкции.

A mask has been developed for the helmet. See other instructions for mask assembly.

Так же на Ютуб я нашел интересную систему завязок именно шлема к голове. Для ознакомления можно посмотреть данное видео.

Also on YouTube, I found an interesting system of tying a helmet to the head. For review, you can watch this video.
