NECESSARY TOOLS

©copyright www.dieselpunk.ro

B&W Printer

Scissors or a cutter

Hole Puncher (We recommend 1.8 - 2 mm sized holes for this build)

Less than 2 square feet of leather. (We recommend 4-5 oz leather for this build)

Thread and needles (We recommend 1 mm waxed thread for this build)

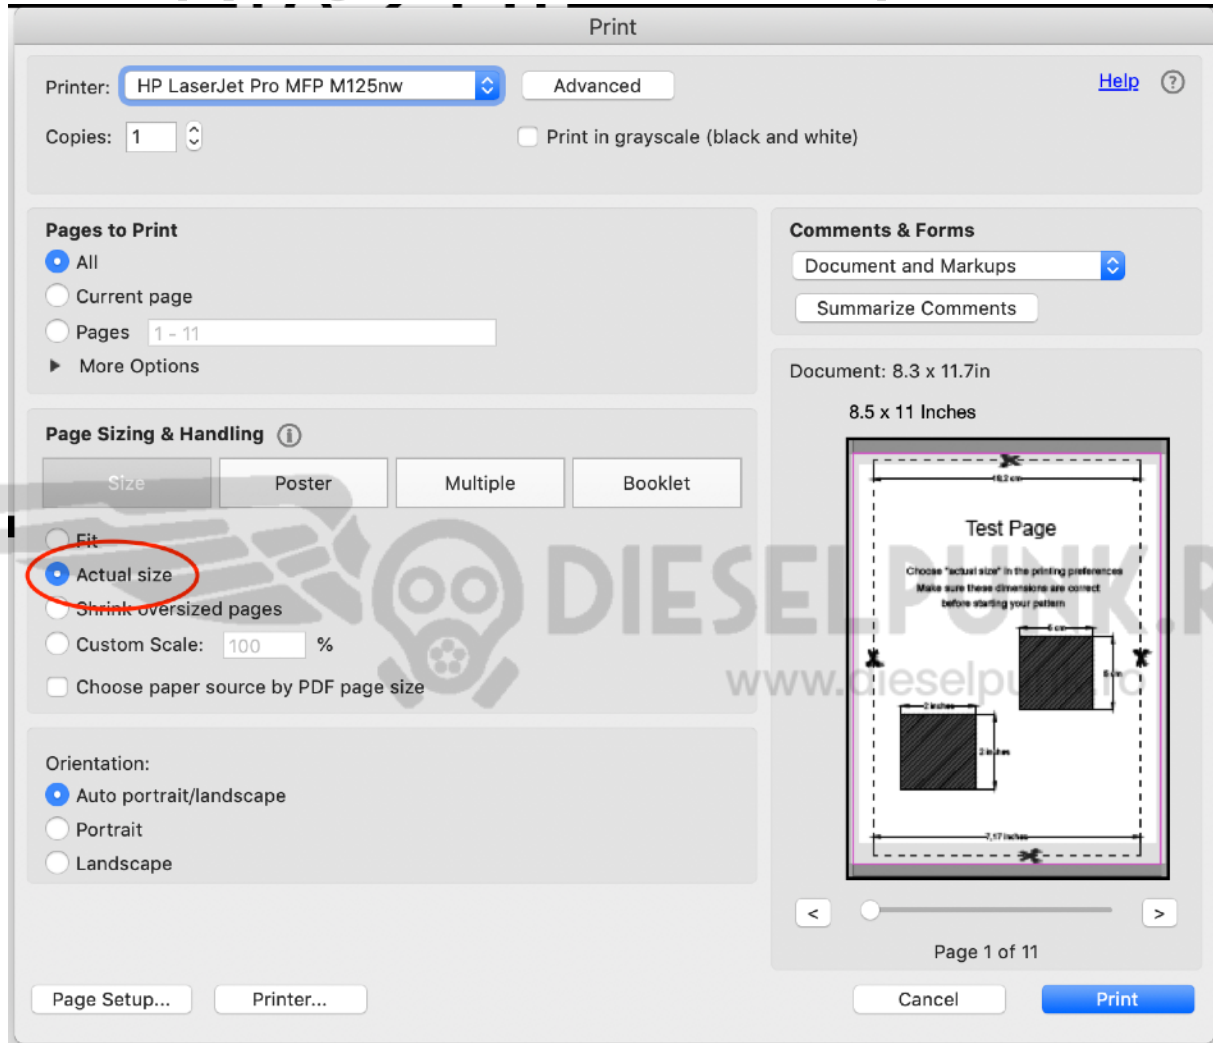

2 x Sam Browne buttons and a rivet

PRINTING THE PATTERN

©copyright www.dieselpunk.ro Set up your paper size to A4 and choose actual size in the printer settings

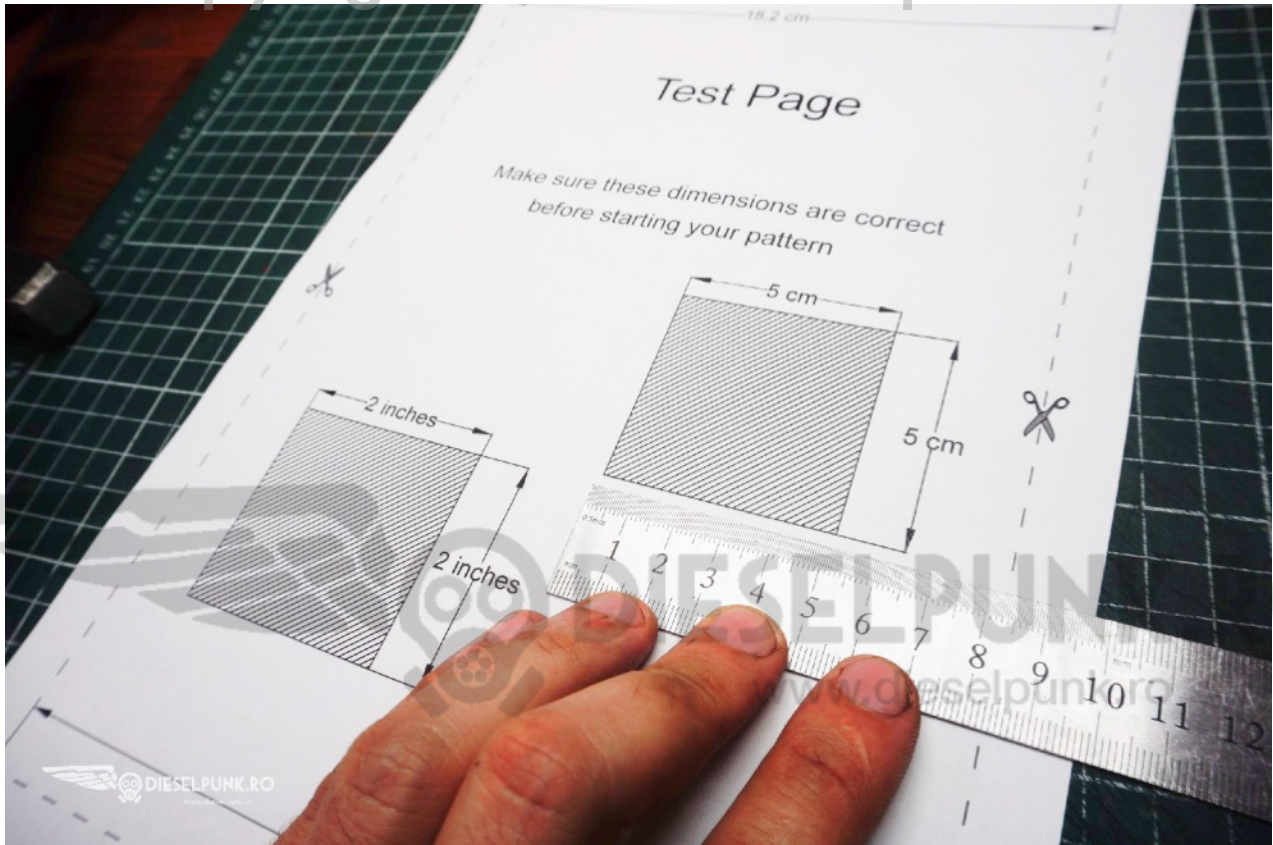

©copyright www.dieselpunk.ro Alternatively you can use "letter" format which is approximately the same size and will not impact the size of the product significantly

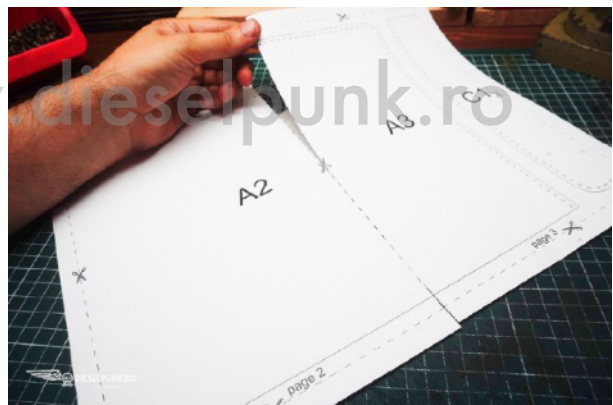

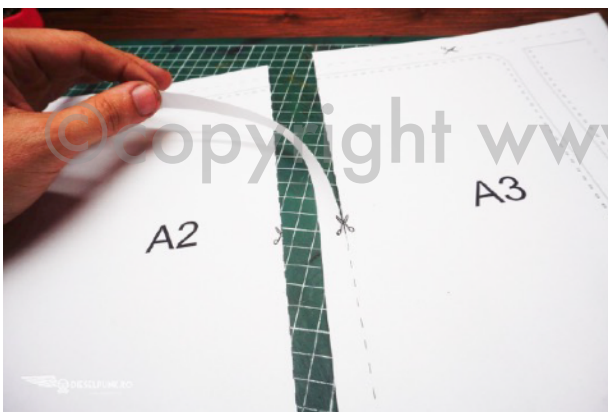

Print all the patterns.

The first page is a measuring reference and you can use a ruler to make sure it matches the square. That means the rest of the pattern will print on the right size

©copyright www.dieselpunk.ro

Take note that the main piece is spread over two pages.

After you cut all the leather pieces you can
start stitching

Start with the the pipe pocket

After you stitch the front to the gusset, attach the pocket to the middle piece

This piece also has a small strap that needs to be riveted in place. At the other end of the strap it will snap the Sam Browne button

©copyright www.dieselpunk.ro

Next lets attach the closing strap and loop. This will be stitched in the 6 central holes as seen below

www.dieselpunk.ro

Next let's attach this tiny pocket

www.dieselpunk.ro

Then attach the whole side piece to the main body

Next we attach the larger pocket on the opposite side. Screw in the Sam Browne button before u start stitching

First attach the pocket and then the flap

Last piece that needs to be attached is the middle piece that holds the pipe

After that is done, you have your pipe pouch ready!

Would love to see what you did, so please share or leave a review on Etsy.

Stuck and need help? go ahead and send us a message, someone is always around to give you a hand

Thank you for constructing your pouch with our patterns

To further help all our clients we created this FaceBook group for everyone to share ideas and stay up to date

with the latest patterns available.
