Knight helmet pattern

Punch

Cut

* Print on any type of paper selecting **US Letter** as the printing format.

* For headwear patterns, measure your head from the back to the forehead to get the size you need.

* You will also require 60 rivets long enough to be set through three layers of thicker leather.

Print at **100% scale** for approximately
630 mm in head circumference or **US size 7 7/8**
and measure the ruler from below for accuracy.
For other sizes please consult the remaining options.
