

The Lomond Wallet

Instructions

Step 1 - Measure the box on the left hand side of the page. make sure it measures at 1 inch by 1 inch.

If it doesnt reset your printer settings.

Step 2 - Glue this page to some thick Cardstock or cardboard

Step 3 - Cut out the template

Step 4 - Trace the pattern onto your chosen leather and get crafting!

NOTES

We reccomend 1.2 - 1.4mm thick leather for this project

This Wallet can be made completely by hand and requires no machinery

This template is for personal use only and the resulting item can not be sold nor the pattern redistributed
Get creative with the pattern and make it your own! Add things in, take them away and most importantly,
tag us on Instagram!!!
