Assemble Instruction

The Whale Coin Purse

1. Cut out the Whale back pieces, skive all the edges as indicated in the pattern
Fold those edges towards the rough side.

Skill tips:

Stick the pattern on the rough side and use the awl to mark the skiving line.
Mark the folding line again and wet the folding line after skiving,
it would make folding easier.

2. Cut out the Whale belly, skive all the edges as indicated in the pattern
Fold those edges towards the rough side.

Skill tips:

Please remember to cut through the line indicated below

3. Mark all the Grooves line and stitch all Whale Belly Grooves as below

Skill Tips :

Please use a smaller width pricking iron/chisel, it makes better Grooves.
2.7mm pricking iron and 0.6mm thread are used here as an example.

4. Cut out all the Fins and tail, stitch them together and burnish all the edges.

Skill Tips :

Before cutting them out, glue the two pieces of leather together (Rough to rough side) first, then the pieces will look neat.

5. Glue the Middle Belly and Side Belly edges together
(Flesh side to Flesh side).

Skill Tips :

Scratch the area before gluing, it would stick very tight.

6. Stitch the Middle Belly and Side Belly edges together.
(Stitch from the rough side)

Skill Tips :

Mark the stitching line on the leather as indicated in the pattern
before punching the chisel and stitch. Measure 5mm
from the edge and mark.

7. Repeat the pervious steps for Whale back, glue and stitch the Middle back and Side back together (Flesh side to flesh side).

Skill Tips :

For all Whale back and belly stitching, you should start and end the stitching by looping the thread on the edges as shown below, it helps to strengthen the stitch.
