

PROJECT PATTERN OSTRO FANNY PACK

Paper Size: **US Letter**

Paper Size: **A4**
210 by 297 mm

Orientation:  

Scale: **100%**

Printing Instruction

The pattern is designed to be printable. We took into consideration the standard printer margin for letter & A4 sized papers.

Select "US letter" or "A4" under paper size. Make sure portrait mode is selected.

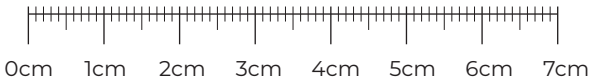

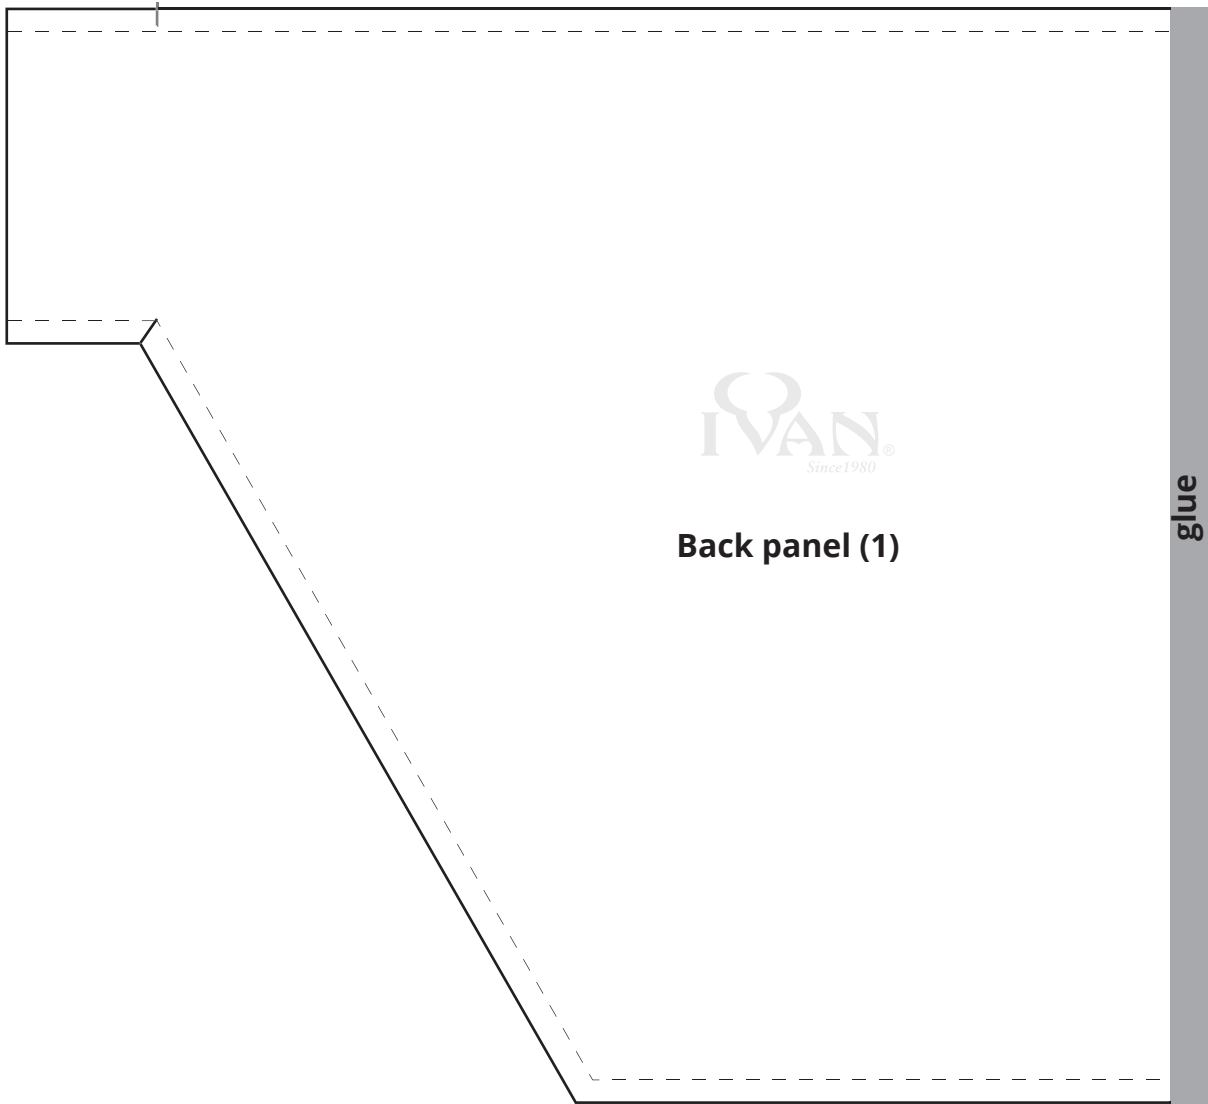

Be sure to click "scale: 100%" to ensure that the page is going to print to scale.

Instruction

1. Print and out patterns on heavy card stock.
2. Rough cut your leather, cut out each pattern, bevel and burnish all edges. Set aside
3. Mark 1cm wide guideline along back and front panel edges and skive the edges down.
4. Measure/ mark the zipper length, remove extra teeth and install zipper pull and stop. (see website "Tips to shorten & install metal zippers" for more details)
5. Add leather tabs to zipper ends and stitch together.
6. Glue zipper assembly to the front panel, punch holes then stitch together.
7. Punch stitching holes along top panel curved edge and mark center point.
8. Starting from the center point, glue the top panel to front panel assembly. Stitch the panels together.
9. Mark 3mm wide guideline along front panel assembly and scratch the edge with roughing tool before applying leather adhesive.
10. Glue the back panel to front assembly with flesh (rough side) facing out. Mark stitching guideline along the edges and punch holes.
11. Stitch the edges together and cut off excess thread.
12. Flip the piece inside out. Shape the seam gently by hand.
13. Glue the hardware tab onto the body and secure dee ring using rivet and setter.
14. Optional: Mark concho location and punch holes on the front panel. Cut and add a leather spacer on the back of the concho if needed. Secure hardware with screw driver.
15. Add swivel snap to the webbing and stitch the ends together.
16. Adjust and cut the length of your webbing strap before stitching the side release buckle.
17. Repeat the same step to complete the other end. Leave extra length for adjustment.
18. Cut and add a strap end to your webbing strap.
19. Connect swivel snap to bag.
20. Complete.
