

Print size: A4 Size (210 x 297mm)

Join the patterns with this symbol: J1

You need to join J1, J2, J3 and J4 together in order to form a complete page of patterns.

For example:

Trim one of the page first.

Then glue the other page.

Join the two pages.

Trim the surplus. Done.

You should have a large page of complete patterns after the trimming.
