

ACC-31 Instruction

Step 1: The key step is the first step, you must joint 4 pieces together, please follow the hits in the pattern, make sure the right piece overlap the right place.

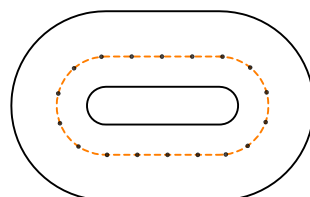

There is a small skill to help you. Please look at the bottom picture, it can show you which piece how to overlap the others.

Step 2: After doing that, we can stitch bottom on, when you stitch them together, you can turn over the main body and bottom and stitch them as a cylinder, then turn the finished one over.

Step 3: Then fold the top opening according to the blue fold line, and stitch firmly along the orange sewing line.

Step 4: Stitch the decorations on holes.

Step 5: Glue and fold the handle leather and sewing the middle, then glue two sewn ones with wrapper and stitch the wrapper with the handle. OK, the handle is finished.

Step 6: Then we make inner pocket, it is very easy right?

Step 7: Then use punch to punch 10 diameter 10mm leather circles, and install them in right places.
