A kind note to my dear customers:

Hi! To improve my works, I have decided to make some changes on the patterns based on suggestions from you guys. Those changes will apply to all of my patterns from now on. However, it may not be shown on my past works. If you are only interested in those new feathers, please check out the description of each lists or reach out to me.

New:

- For hand stitching, I will include stitching hole reference for places where stitching holes are suggested to be pre-punched.

Depending on the project, my reference holes is between 3, 4, 5mm in sizes. (4mm will be the most commonly used on the projects.)

- Offer my patterns in A4, letter format.

- Scale checking box You could use it check if the pattern prints in correct scale. I will also include partial measurements for the patterns.

Thank you guys again for the support.

Best

Holly
