

Assembly instructions

Difficulty level:	intermediate
Completion Time	10 - 14 hours

NECESSARY TOOLS

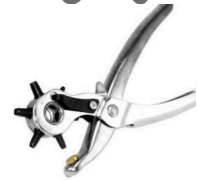

B&W Printer

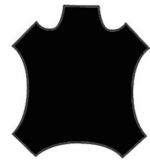

Scissors or a cutter

Hole Puncher

Approx 16 square feet of leather

Thread and needles

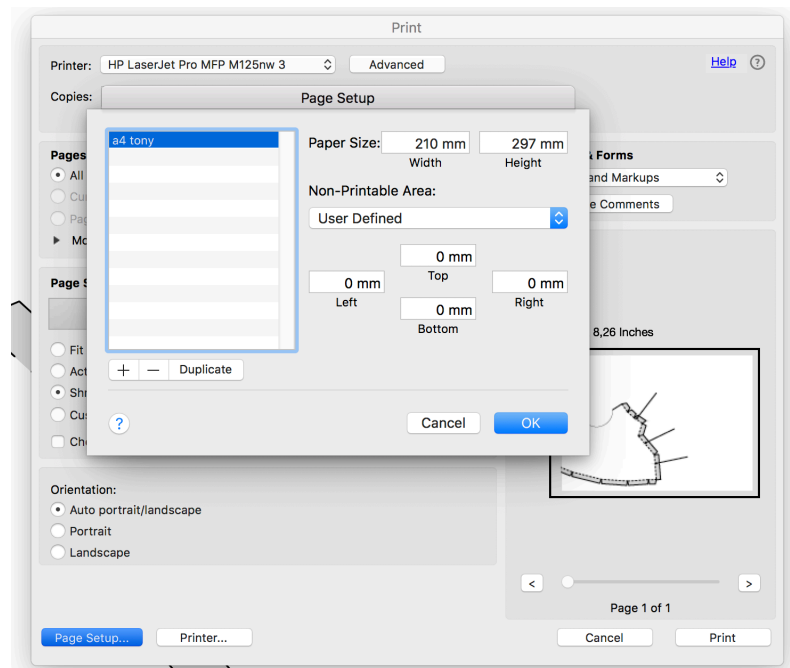

2 D rings and a few rivets

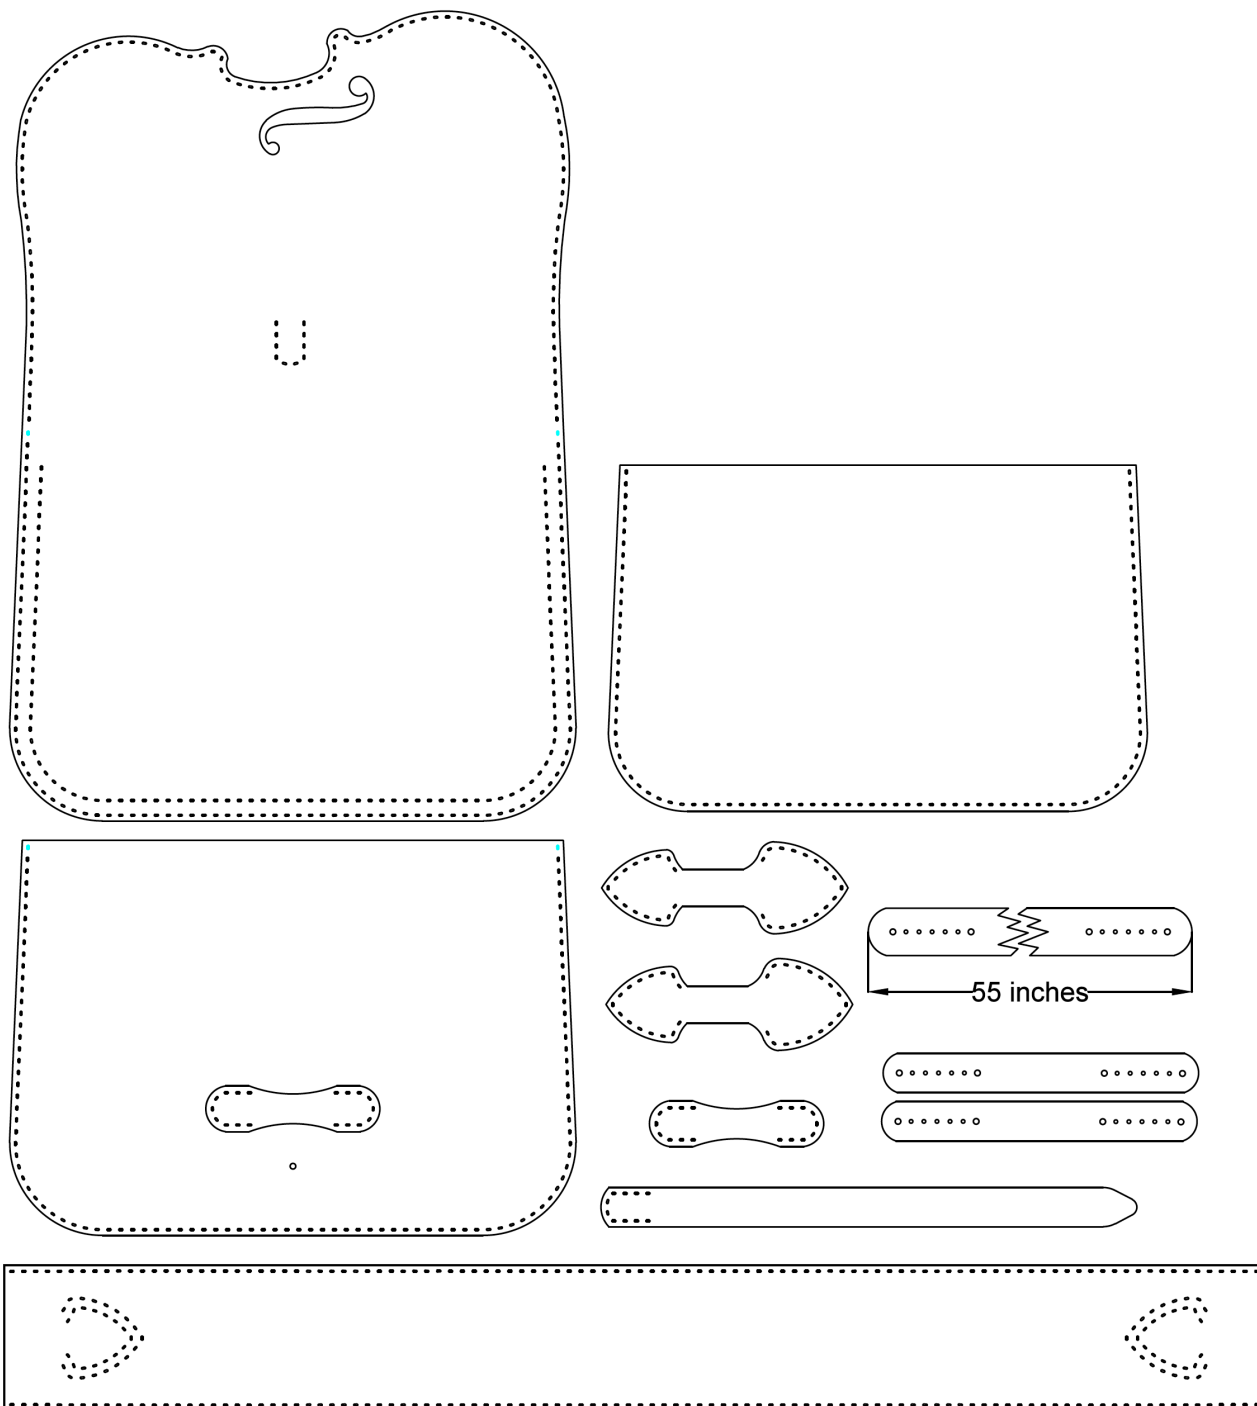

PRINTING THE PATTERN

Set up your printer to A4 paper with no margins on landscape mode.

Alternatively you can use "letter" format which is approximately the same size and will not impact the size of the product significantly

When done cut and paste all the pieces and you should get everything pictured below:

In order to help with your build, we filmed the entire process from the start to finish.
Please access your instructional video here:
