
THE PORK PIE HAT

Assembly instructions

Difficulty level: intermediate
Completion Time 6-10 hours

NECESSARY MATERIALS

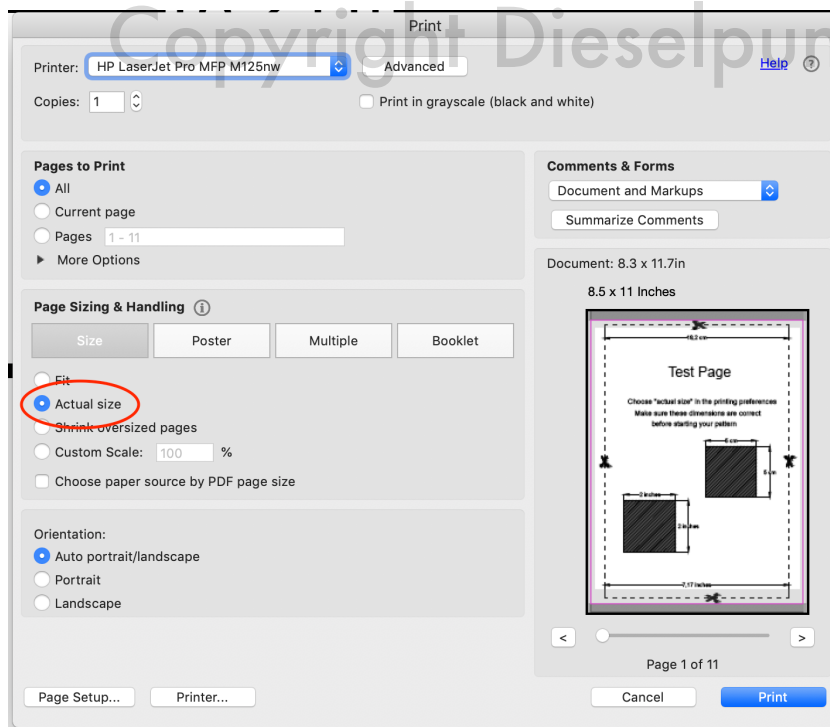

Copyright Dieselpunk.ro 2019

Max 4.5 square feet of leather for the largest size. (We strongly recommend 5 oz veg tan leather for this build)

Thread and needles (We recommend 1 mm waxed thread for this build)

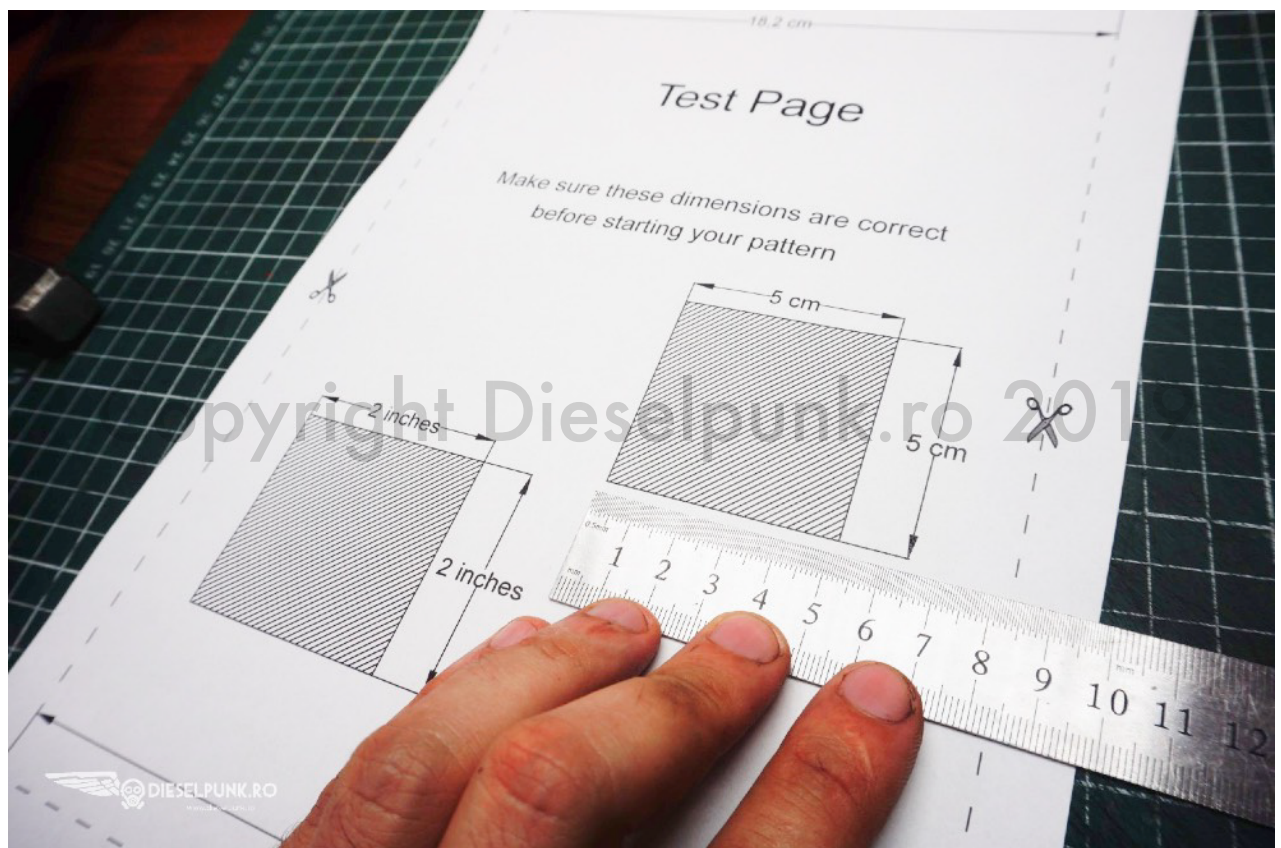

PRINTING THE PATTERN

Set up your paper size to A4, Letter or Legal and **choose actual size** in the printer settings

Print all the patterns.

The first page is a measuring reference and you can use a ruler to make sure it matches the square. That means the rest of the pattern will print on the right size

In order to further help with your build, we filmed the entire process from the start to finish.
