

The order of sewing

* Parts to be sewn together are marked **RED**,
so please remember to print these pages in color.

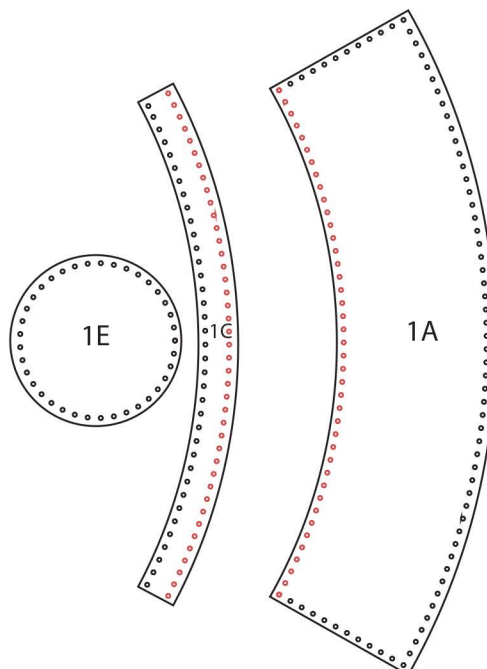

Step 1 - Sew together main part of the pot (red dots).

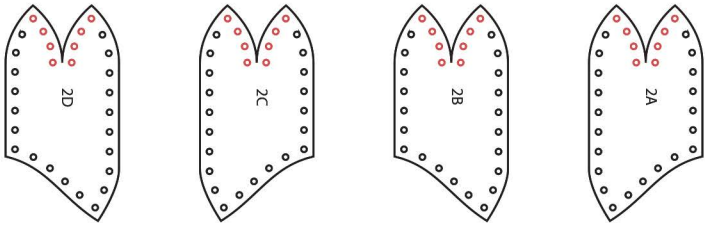

Step 2 - Sew the base of the pot (parts 1C and 1E). Connect the shorter side of 1C to 1E with the saddle stitch.

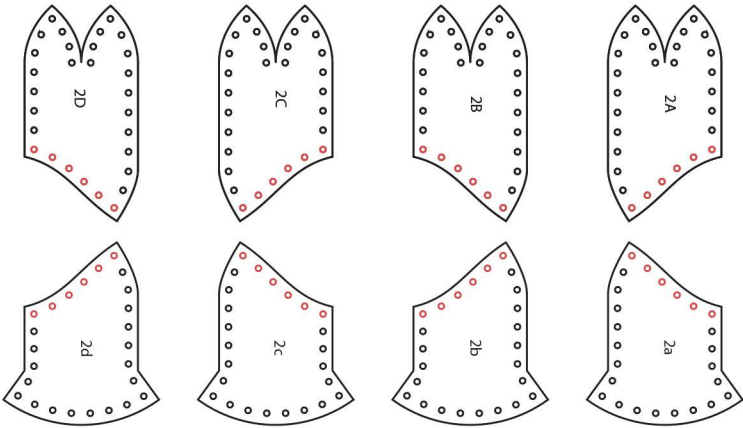

Step 3 - Combine the bottom (sew elements 1E and 1C) with the main part of the pot (1A).

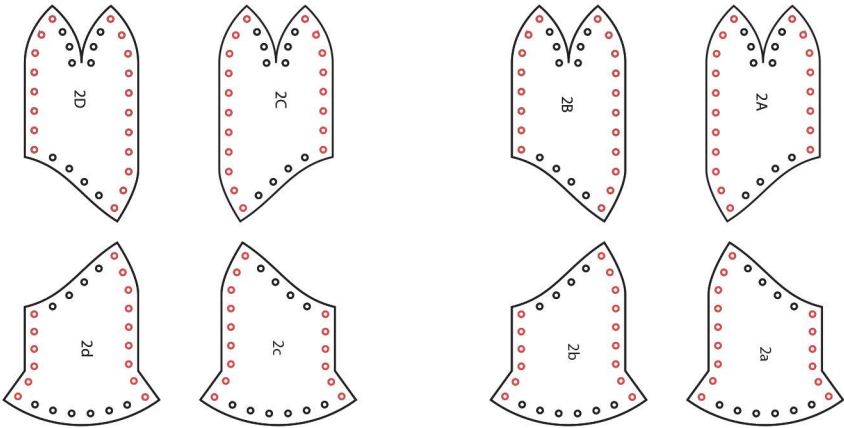

Step 4 - Sew tops of these elements.

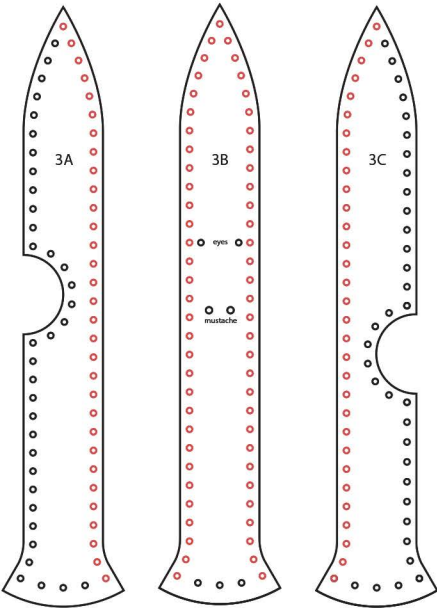

Step 5 - Sew the parts of the arms.

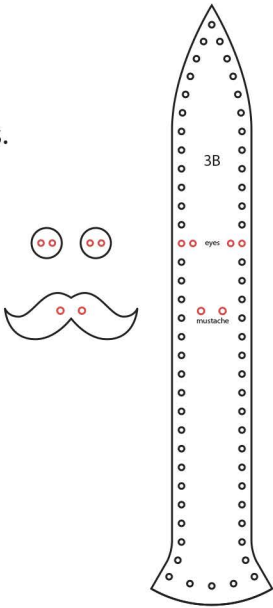

Step 6 - Sew the whole arm.

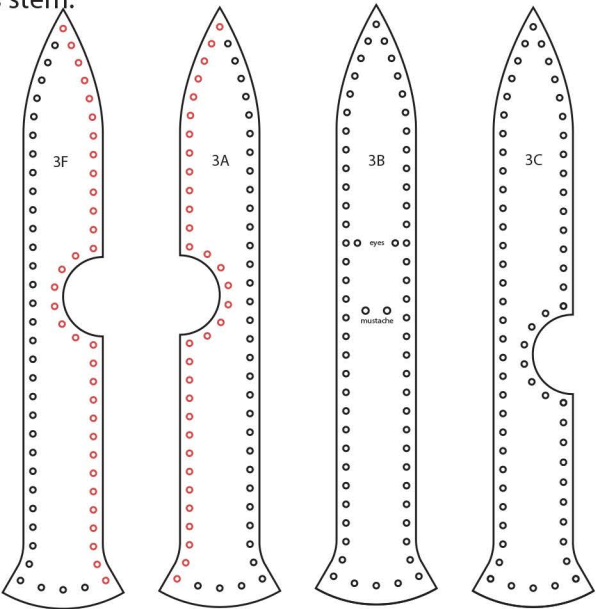

Step 7 - Combine these parts of the cactus.

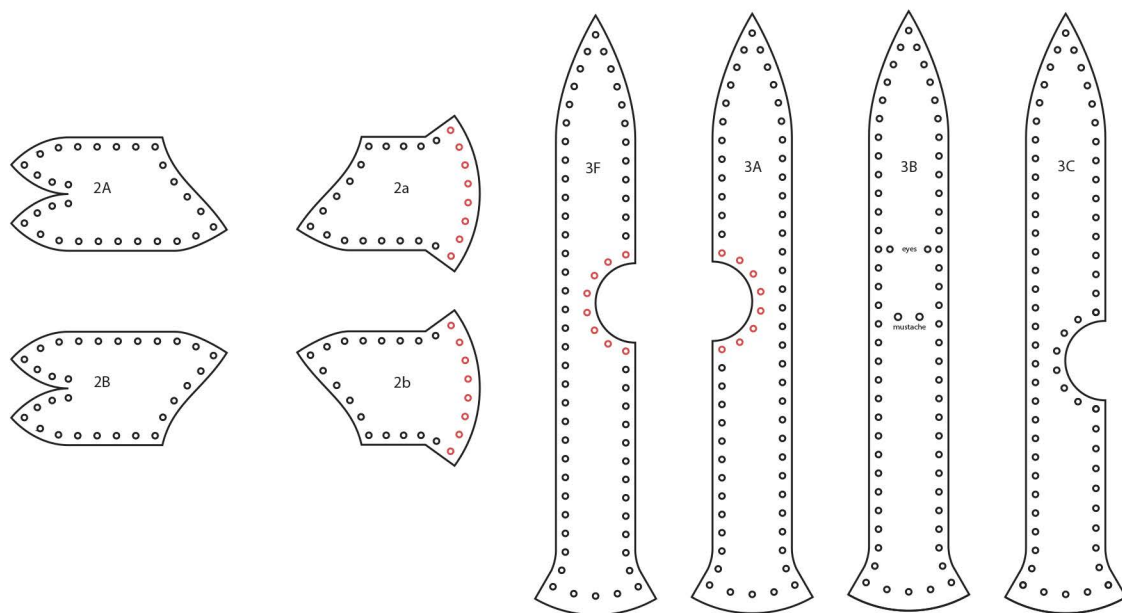

Step 8 - Attache the mustache and eyes.

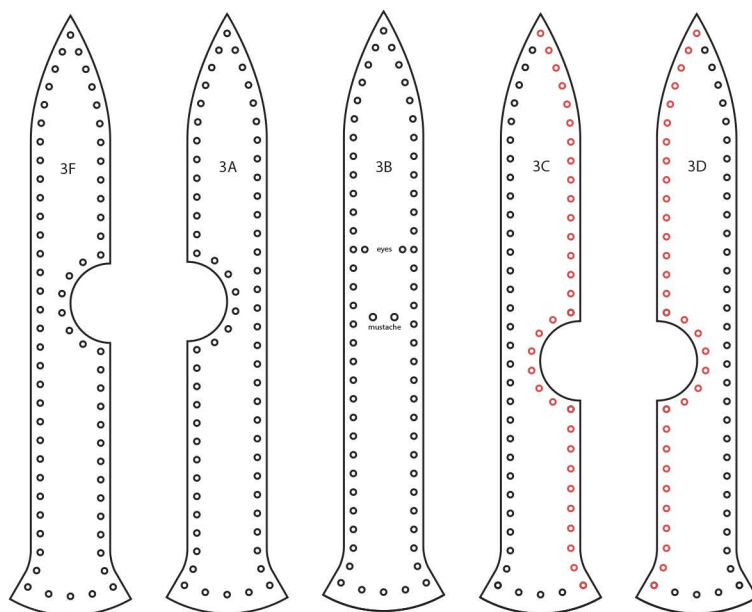

Step 9 - Sew another part to the cactus stem.

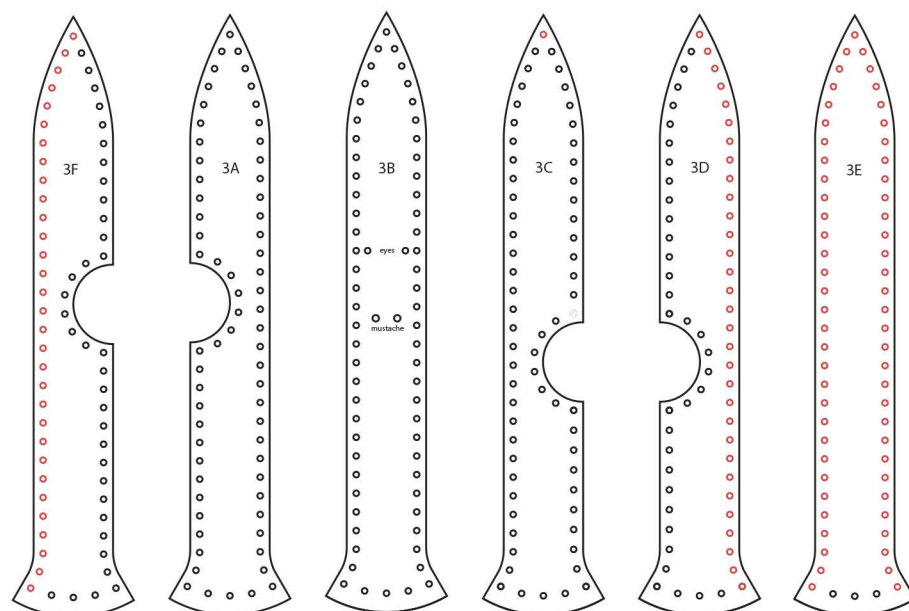

Step 10 - Combine the arm with the cactus stem.

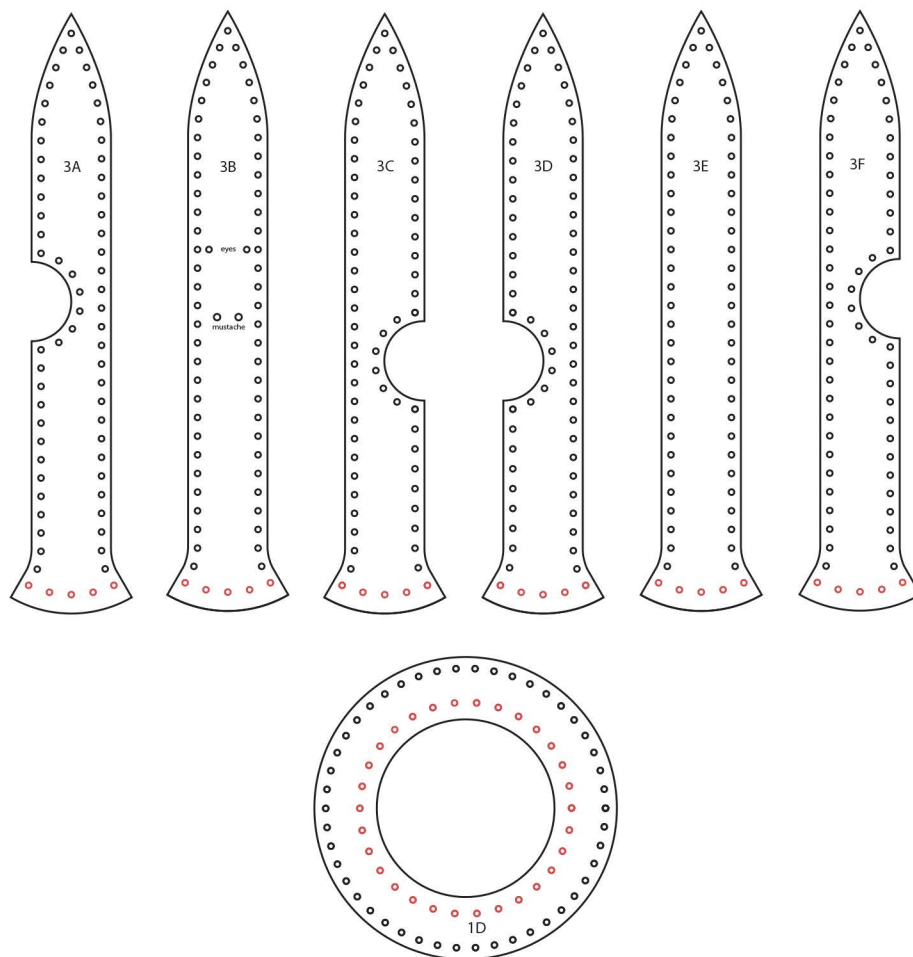

Step 11 - Sew the next part of the cactus and attach the other arm.

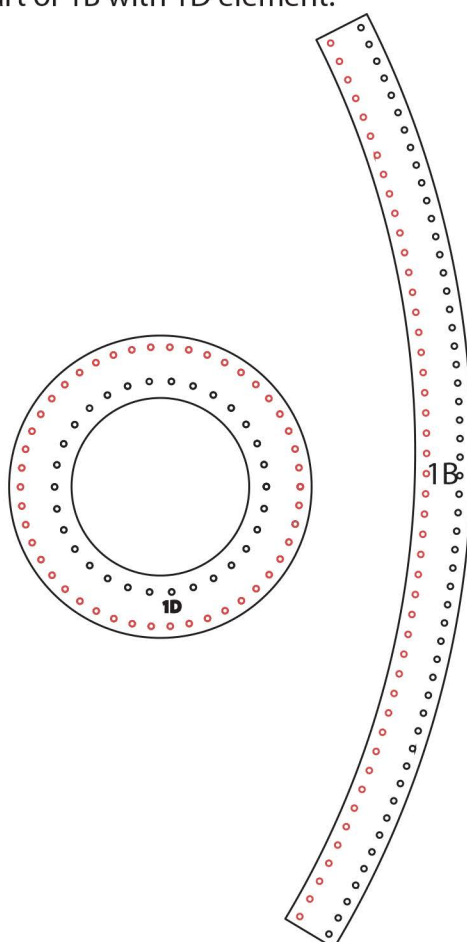

Step 12 - Sew the last part with the cactus stem.

Step 13 - Combine the stem with part 1D.

Step 14 - Sew the shorter part of 1B with 1D element.

Step 15 - Attach 1B to the top of main part of the pot (1A)
