

HORSE HEAD KEYCHAIN/CHARM

Thank you!

Thank you so much for supporting me!!!

This is a horse head keychain/charm that I intended to design with a fierce look, like a Spartan soldier. If you don't like it as a key charm, you can just put on your table or shelf for decorative purposes. Or to play chess when the chess itself missed a Knight.

I would be truly happy and grateful if you share your work on any social media. Please tag me or send me the link so I can see it and maybe give you any advice if needed.
